

G3042 – Security Sale Addendum - use Form G1026

You have downloaded GABB Form G3042 - Security Sale Addendum for use with the G3041 - Buyer Brokerage Agreement – Buyer Specific. This form G3042 is the same as GABB Form G1026 which is used when the agent represents either the Seller or the Buyer. Please download Form G1026. This page is a dummy entry to make sure that agents are aware they should use an addendum if they represent a Buyer and the sale converts to a securities transaction.
